Authorized Equipment Price List

TERMS:

All prices are F.O.B. (Freight On Board) Somerset, NJ or Brea, CA.
Specifications are subject to change without notice.

All prices are single unit prices; unless otherwise noted.
Sales tax not included in prices, where applicable.

Return Policy: All returned parts and equipment must be
accompanied by a Return Authorization Form.

A Prepaid 1% discount is available on full payment with your order.
Your account must have a $0.00 balance to take the prepay discount.

All prices are subject to change without notice.

All information and prices presented are believed to be correct
at the time of printing.

Warranty & Return Policy

TERMS:

1. Equipment Warranty

DIGI America Inc. will warranty parts against manufacturer's defect on new equipment for 1 year plus 90 days. The warranty will begin the day the equipment is shipped. Any parts that fail due to neglect, customer abuse, fire, water damage, burglary, accident, abuse, acts of God, force majeure, repairs by unauthorized persons, or failure of user to operate and maintain the equipment in conformity to DIGI's recommended operating and maintenance instructions will not be covered under warranty.

2. Parts Warranty

DIGI America Inc. will warranty spare parts for 1 month from the date the parts are shipped. This 1 month warranty will also apply for equipment and parts which will include (boards) repaired by DIGI.

3. Warranty Resolution Process

Any parts that are covered under warranty must be shipped back to DIGI for evaluation. Any replacement parts should be purchased from DIGI with a valid Purchase Order. If DIGI determines that the part is to be covered under warranty, a credit will be issued.

4. Return Policy

DIGI America Inc. will only accept equipment or parts returned for repairs, credits or warranty evaluations accompanied by an official DIGI Return Authorization/Repair Form. A return authorization number must be clearly written on the shipping container for our receiving department to reference. Refer to the Return Authorization Form for further instructions on returns. If you wish to return parts for warranty coverage, please provide the proper information (model, serial number, along with the invoice number and/or packing list). You can use the Return/Repair Form to indicate the reason for the return. If we receive any equipment or parts without the proper information, the shipment will not be received and returned to sender. Parts may not be returned for credit beyond 30 days. All parts returned within 30 days for credit and are in new condition will have a 15% restocking charge. This charge will be waived if DIGI shipped the incorrect part if returned within this same time period. No credit will be given on any parts returned after 30 days.
